Video:	#		Eurobasket Profile

Outlook:

Shaun Jenkins as a basketball player has over 19 years experience playing the game. He is a talented player and does possess a unique ability and hard work ethic pushing him to improve to be the best player he can be. Some of his strengths include: Tenacious defense understanding things like what to do on a pick and roll, and anticipates the pass well making him a threat on the steal. Over time he has become a good knockdown shooter from all ranges.' He is a fearless competitor with a fast first step. Good overall basketball IQ, well grounded in sound fundamentals and is an excellent freethrow shooter.
